

## How to register

1. Go to <http://community.agap.info>, without the "www" prefix.
2. In the top-right corner you will see a link which says "Register". Click on it.

Register

3. Agree to the terms and conditions.

I Agree to these terms and am **over** or **exactly** 13 years of age

I Agree to these terms and am **under** 13 years of age

I do not agree to these terms

4. You will see the following form:

Items marked with a \* are required unless stated otherwise.

Username: *	<input type="text" value="mylastname"/>
E-mail address: *	<input type="text" value="myemail@domain.com"/>
Password: *	<input type="password" value="*****"/>
Confirm password: *	<input type="password" value="*****"/>

If you are visually impaired or cannot otherwise read this code please contact the [Administrator](#) for help.

**IKALYZ**

Confirmation code: \*

Enter the code exactly as you see it. The code is case sensitive and zero has a diagonal line through it.

Fill out all the fields marked with a \*. Your username could for example be your last name. Use your own email address as you will need it to activate your account and receive news about the discussion page. Choose a password that you will remember, but don't worry, you can change this later. The grey box is a confirmation code which is used to show that you are not a computer. Enter it in the field below exactly as you see it. It is case sensitive ("H" is not the same as "h") and zeroes have a diagonal line through them. Once you have filled out all the necessary fields scroll down to the bottom of the page and click on "Submit".

5. Your account requires a verification to be activated. All you need to do is check your email for a message from "community@agap.info". It will contain a link, which you should click on to activate your account.

Your account has been created. However, this forum requires account activation. An activation key has been sent to the e-mail address you provided. Please check your e-mail for further information
